Report

Under the Vivekananda Career Guidance Scheme, a short-term training program on career guidance was organized online and free of cost on 29th and 30th June from 01:30 to 03:30 pm in Government College Timarni. Which was attended by about 100 students. In the beginning of the program, Dr. Neeraj Malviya, the coordinator of the program apprised the participants about the program outline and brief introduction of the keynote speaker of the first day, Mr. Santosh Kumar Mishra (Assistant Professor M.K.Ponda College of Business and Management Bhopal) to the students. After that the principal of the College Dr. Vineeta Raghuvanshi welcomed the keynote speaker and participants of the program. The Chief Speaker of the first day, Mr. Santosh Kumar explained to the students that it is very important to know one's own interest before deciding on their career. He told that career should be decided keeping in mind the market demand along with own interest. Shri Mishra said that about 90 percent people are not able to work with their full efficiency at the right place and right time due to wrong career selection.

On the second day of the program, Mr. Naveen Gurjar, Senior Manager Corporate (Training and Placement) from SEZ University joined as the keynote speaker. Various details of personality development were explained in detail by Mr.cGurjar to students. Taking simple examples of daily life, guided the students for a high level career.

The co - coordinator of the program, Mr. Deepak Malakar, thanked the invited keynote speakers. e-certificates were given to all the participants of the program.
