

Details of the Infrastructure Facilities during the Session 2017-18

The College has a well-defined policy and system in place for the maintenance and utilization of all its physical and academic facilities.

Classroom management:

Classroom being the most primary and important work space; it is managed with proper systems and procedures as recommended by the college teachers and staff

members and the Principal of the college in accordance with Local Management Committee (Janbhagidari Samiti). It is followed keeping in mind the modern teaching learning environment. The classrooms are well equipped with all modern technology like the smart boards, mike systems, and other technologies for better and effective teaching. CCTVs installed in each classroom to make sure of the safety and the security of all students, teachers and equipment. Stock list of assets of Class room property, cleaning and maintenance are done on a regular basis .all the modern teaching technology, proper reporting system about repairs and replacements are the basic attributes of classroom management. This also includes the asset management that forms the core in the working of the college.

VIRTUAL ROOM 1

Laboratories:

As the College has Undergraduate Science courses along with Post graduate courses (Self Finance) in M.Sc. Computer science. Science faculties which constitute with Zoology Lab, Botany Lab, Physics Lab, and Chemistry Lab well versed with lab equipment's, glassware, chemicals, white boards and one computer in each department with LAN facility. M.Sc. Computer Science Lab having all the ICT tools like computer with LAN facility, projector etc. The Laboratory policy forms the core in the working of the institution. While the Laboratory has several instruments and equipment, the same is maintained annually on regular basis.

The Locations of laboratory are very safe and fire extinguishers help to assure protective measures to minimize the casualties along with these general Instructions to students regarding the safe and secure usage while in the laboratory are displayed in each lab.

Library:

The library of the college has its own mechanisms and system in place to identify the purchases based on the courses offered, check on the facilities to be provided for the students and the staff. Generally, the norms conform to the institutional policies and the policies of the parent body. Yearly statistics for utilization of library resources helps in collective development policy of the library. Withdrawal of books and other reading material which is not useful for current references is done on a regular basis.

Sports:

The college provides facilities for the following sports: Cricket, Kabbadi, Table -Tennis, Kho-Kho, Tennis, Volleyball, Weight Lifting, Gymming and Yoga. The sports committee schedules their activity as per the sports calendar provided by the university annually which includes various inter departmental, district and divisional level tournaments.

Sports committee looks after maintaining the sports ground and sports equipment. Committee organizes various indoor and outdoor sports competitions for students at intra and inters collegiate level. For holistic development, students are encouraged to participate in the competitions.

Sports competitions are organized according to the sports calendar of the MP Higher Education Department. In the college Tennis Ball, Chess Board, Table-Tennis board for students is also available where students play these games with enthusiasm. For yoga and other activities we are having Teen Shade area and a cemented stage for cultural activities where all the cultural events like youth festival, annual functions are carried out inside the college campus

Gymnasium

College has indoor Gym facility and having access to all the students and students related to sports where college students do their practice regularly
